UniPlay

Ages 3+

UniPlay is designed to immediately grab the attention and interest of older children - and keep it! with fresh, modern components to delight every child, UniPlay provides healthy exercise and is the perfect way to work off energy. To children it feels like pure excitement and fun!

The UniPlay colour setting, organic shapes and smooth curved lines have a timeless appeal. UniPlay's varied levels of play will challenge children of every ability, offering basic exercise and play, to more challenging activity for the most adventurous kids.

UniPlay

The most customisable modular play system on the market

UniPlay is modular-based play system that has endless combination possibilities. It is a flexible system that allows you to customise your unit according to your specification and budget.

Welcome to a world where your imagination is the only limit...

We have helped customers build bespoke units, ranging from simple colour and component changes to themed multi-tower castles and pirate ships.

UniPlay's modular system allows standard units to be combined to create a larger bespoke unit.

Bespoke formation using 3 standard units

Want to know more about customisation?

Whether you want to combine standard units or go completely bespoke, get in touch and we will help you create the perfect UniPlay for your play area. To learn more about UniPlay, please visit: www.hags.com

Materials for UniPlay

A basic guide

Did you know...many of our standard units are now available in different material types?

The different material types available for UniPlay are shown below.

Steel or Timber Posts

Choose between either bark brown engineered pine with galvanised steel footings for a natural look or powder coated/stainless steel posts for maximum durability.

Timber or HPL Panels

Whether you decide to go for the original timber look or durable HPL panels, both options are available in brown, red or green colours in a slatted design.

Decks in Timber or HPL

Complete the natural look with bark brown timber decks or select the hard wearing HPL option in black with a non-slip surface in square or triangular shapes, depending on the unit you choose.
